

Gingerbread House Kits

The Deerfield Cooperative Preschool will be selling homemade, unique gingerbread house kits as our fundraiser during the holiday season.

Included in the gift box is everything you need to create a picture perfect gingerbread house: Pre-baked gingerbread house parts, sugar icing to “glue” your house together, an assortment of candies to decorate your house, and directions.

Each kit is \$14 and all proceeds benefit the non-profit Deerfield Cooperative Preschool. Kits make a great project for kids and adults of any age, a wonderful hostess gift or a favorite family tradition!

Because we sold out last year, DCP will be accepting early orders for our Gingerbread House Kits . Pre-Ordering is available from now until November 1st. After November 1st, only a limited supply will be available for purchase.

Please complete the order form below and mail to: Deerfield Cooperative Preschool, 7 Church Street, Suite 7F, Deerfield, 03037, **prior to November 1st**. Please make checks payable to Deerfield Cooperative Preschool (DCP).
